

SCAM CALL FAST FACTS

SCAM CALLS ON THE RISE

More than half of consumers have received a scam call within the **last month**.

PERSISTENT SCAMMERS

Four times as many people received **21 or more scam calls** within the last six months compared to 2015.

CONSUMERS ARE FED UP

Almost 60% of consumers would be willing to pay monthly for a service that would identify callers, block fraudulent callers and tell why they are calling.

CARRIERS CAN HELP

Over half of those surveyed believe it is their cell phone carrier's responsibility to block fraudulent calls or texts.

TELEMARKETING CALLS STILL CLIMBING

Roughly 94% of respondents have received a telemarketing call **up from 80%** in 2015.

NEED FOR TRANSPARENCY

Close to 60% of respondents are likely to enable a feature on their mobile phone that would only allow saved contact numbers to ring and automatically direct unknown numbers to voicemail.
